

DID YOU KNOW...

...that Rochester's largest employer is also one of the best places in the nation for scientists to work, according to *The Scientist* magazine? The University was rated among the top 10 nonprofit institutions in the nation in the magazine's annual ranking of "Best Places to Work". Scientists rated the University highly, citing the professionalism and collegiality of their peers. The University also received high marks in the areas of teaching and mentoring.

Departmental Funds

You may also donate online at <http://www.chem.rochester.edu/alumni/giving.php>

The Department has established several funds that greatly benefit our departmental activities. Contributions from alumni and friends are the dominant source of income to these funds. If you wish to support the Department of Chemistry, please mark the appropriate box on the form below and send it with your contribution. Donations are tax-deductible; donations of appreciated securities may also carry significant tax advantages. If you wish to donate by credit card, please visit the website above. The Chemistry Department is grateful for your support.

Chemistry Alumni Research Fund

A general fund that enhances the educational and research activities of the Department. The Fund enables a number of endeavors, among them the purchase of undergraduate laboratory equipment, assisting graduate students with travel expenses to scientific conferences, and supporting Chemistry's outside speakers program.

Marshall D. Gates, Jr. Chair in Chemistry Fund

Established in 2002 to honor Marshall D. Gates, this fund helps finance research for the chair holder.

The Chair of Synthetic Organic Chemistry, Honoring Andrew S. Kende

A new fund to honor the distinguished career contributions of C. F. Houghton Professor Emeritus Andrew S. Kende.

Jack A. Kampmeier Fund for Peer-led Workshop Education in Chemistry

Established in 2005 to honor Professor Kampmeier's 45th year of teaching, this fund supports initiatives that strengthen the Peer-led Workshop program.

Magomedov-Shcherbinina Memorial Fund

Establishes an annual research prize in memory of the Magomedov Family, who were tragically killed in 2006.

Distinguished Lectureship Funds

These lectureship funds are designed to bring scholars distinguished in their field to the Department for a series of lectures and to meet with faculty and students.

Victor J. Chambers Memorial Lectureship honors an early chairman of the Department of Chemistry.

Hutchison Memorial Lectureship honors Charles F. Hutchison, Class of 1897, who donated funds for Hutchison Hall.

W. Albert Noyes, Jr. Memorial Lectureship honors Professor Noyes, former Chairman of the Department, Dean of the Graduate School and Dean of the College of Arts and Science.

DID YOU KNOW...

...there is an interactive website, created by Professor Alison Frontier, that de-mystifies critical laboratory techniques and experimental skills for students? *Not Voodoo* provides a broad scope of free information including a list of common mistakes, roadmaps describing the anatomy of a reaction, and descriptions of fundamentally important, yet surprisingly difficult operations for the beginning research chemist. Check it out at <http://chem.chem.rochester.edu/~nvd/>.
